

Are CAM and I a good Fit?

What am I looking for in a contracting agency?

What sort of support do I need to complete my contracted work?

What has/has not worked for me in the past?

Do I have or can I access to a Personal Computer that is Password Protected?

What do I want to know about CAM and Christopher Aaron Counseling Center?

What is the major driving factor behind the work I do?

What drew me to social services?

What is an ethical dilemma that I have faced and how did I resolve it?

How would I respond to this scenario? A half of a couple call me and say they are having major issues at home and that they want to have couples counseling. They state that their significant other had suggested that they move here and that this is an area where the caller has no job and no natural support.

Do I :

- 1) Schedule an appointment with both present as soon as possible?
- 2) Schedule an appointment with the caller and see if I can am a good potential fit?
- 3) Schedule separate meetings with each individual and see if I am a good potential fit?

Upon reading the Christopher Aaron story I realize:
